

Why Snagging Is Crucial in Meydan Avenue 1 – A Premium Location Deserves Flawless Delivery

Meydan Avenue 1 is a sought-after residential enclave nestled next to **Meydan Racecourse and Grandstand**, combining proximity to Downtown Dubai with a more serene, upscale lifestyle. With a mix of **custom villas, mid-rise buildings, and private plots**, the area is rapidly becoming a magnet for discerning homeowners and investors.

Yet even in this prestigious location, **build quality can vary**—especially on privately developed plots or smaller-scale buildings. From **AC ducting flaws** to **finishing issues**, defects can easily go unnoticed without a professional eye. Our **snagging inspections** ensure that every detail of your new home meets the standards promised—**before handover or final payment**.

✓ Why Choose Us for Meydan Avenue 1

- ✓ **44,000+ inspections** completed across Dubai
- ✓ Specialists in **Meydan plots, custom villas, and podium units**
- ✓ **Detailed photo reports** delivered within **12 hours** via Spectora & Onsite
- ✓ End-to-end **DLP support** to ensure free developer rectifications
- ✓ Reports formatted for **developer acceptance** and contractor use
- ✓ Trusted by **homeowners, landlords, and brokers**

🔍 What We Inspect in Meydan Avenue 1 Properties

Our inspection process is tailored to your **unit type and build stage**, covering all visible and concealed aspects of workmanship.

📦 Exterior & Structural

- **Roof slab** slope and water leakage check
- **Boundary wall** cracks, plastering, and paint condition
- **Tile alignment and slope** in gardens and carports
- Main gate fixtures and **façade sealant joints**

🔧 Interior Finishes

- **Floor tile lippage**, hollow sounds, and grout gaps
- Wall paint consistency and **ceiling alignment**
- **Stair rail safety**, door alignment, and skirting gaps
- Cabinet hinge tension, wardrobe alignment, and soft-close checks

 **Bathrooms & Kitchen**

- **Water pressure** balance and drain test in all wet areas
- Vanity cabinet and **mirror installation accuracy**
- Exhaust fan performance and **odour backflow test**
- Kitchen **backsplash grouting**, counter level, and cabinet finish

 **MEP (Mechanical, Electrical, Plumbing)**

- **AC duct sealing**, airflow test, and thermostat accuracy
- Water heater, pump pressure, and **pipe sealing**
- **DB board test**, circuit labelling, and safety validation
- Socket grounding, **light switch polarity**, and smart control testing

 **Units We Inspect in Meydan Avenue 1**

We inspect all major unit types and configurations, including:

- **3BR–6BR custom villas** on private plots
- **Mid-rise apartments** and podium-level units
- **Shell-and-core units** nearing completion
- **Corner and dual-access villas**
- **DLP, pre-handover, and resale inspections**

 **Real Client Story: 4BR Villa on a Corner Plot**

Mr. Adnan, a buyer from Saudi Arabia, contacted us before taking handover of his **4-bedroom corner villa** in Meydan Avenue 1. While the construction looked complete at first glance, our inspection uncovered:

- AC duct insulation gaps in two bedrooms
- Water ponding on the **upper terrace** due to poor drainage
- Gaps in skirting boards and **incomplete paint touch-ups**

With our report in hand, the developer addressed all snags **within days**, ensuring a smooth move-in. **Client feedback:** *“This report saved me time and money. They caught things I wouldn’t have noticed for months.”*
