

Why Snagging Is Essential at Polo Residence – Urban Luxury Next to the Track

Polo Residence, located in prestigious **Meydan**, offers contemporary apartments with lush green views and immediate access to the **Meydan Racecourse**. The gated community is known for its **spacious layouts**, clean modern design, and **prime investment appeal**.

But whether you're purchasing a **brand-new unit** or leasing a **renovated resale apartment**, it's not uncommon to encounter hidden issues—such as **grout gaps**, **AC faults**, or **plumbing defects**. Our detailed snagging inspections help protect your investment by identifying these problems **before handover or move-in**.

✓ Why Choose Us for Polo Residence Snagging?

- ✓ 44,000+ property inspections completed across Dubai
- ✓ Specialists in luxury apartment snagging in Meydan
- ✓ Reports delivered in just 12 hours via Spector & Onsite tools
- ✓ Each defect documented with clear photos and room-by-room notes
- ✓ Post-report support during DLP or landlord negotiations
- ✓ Trusted by investors, brokers, landlords, and end users

🔍 What We Inspect in Polo Residence Apartments

Your apartment might appear perfect—but small defects can lead to **big costs** later. Our inspectors perform a detailed room-by-room assessment tailored to the **quality expectations of Polo Residence**.

📦 Interior & Finishing:

- Hairline cracks in walls and ceilings
- Paint bubbles, corner damage, or uneven joints
- **Tile lippage, grout gaps**, and hollow floor sounds
- Wardrobe alignment, soft-close hinge checks
- Balcony sliding door operation and seal integrity

🔧 Kitchen & Bathrooms:

- Drainage slope test for sinks, showers, and bathtubs
- Grouting and silicone sealing review in all wet zones
- Cabinet alignment, handle tension, and vent fan testing
- Appliance integration and **backsplash waterproofing**

MEP (Mechanical, Electrical, Plumbing):

- Socket and light switch polarity test
- **AC airflow and insulation** check (condensation risk)
- Water pressure test and **hot/cold balance** check
- Water heater operation and pipe sealing

Balcony & Exterior:

- Glass railing alignment and locking safety
- Drainage on balconies and terraces
- Window frame sealing (wind, water, sand)
- External wall inspection for cracks or damp patches

Buildings We Cover in Polo Residence

We inspect **every unit and block** within the Polo Residence complex, including:

- Block A, Block B, Block C, and Block D
- 1-bedroom, 2-bedroom, 3-bedroom, and **penthouse apartments**
- Ground floor **garden units**
- Top-floor and **corner units with terrace access**
- Brand-new developer handovers
- **Fully upgraded resale properties**

Real Client Case: 2-Bedroom in Block C

Mr. Rizwan, a Bahrain-based investor, booked our snagging service before renting out his 2-bedroom unit in Block C. While the apartment looked ready, our report uncovered:

- Poor grouting and waterproofing around the **kitchen sink**
- **Condensation stains** due to improperly sealed AC vents
- **Damaged rollers** on the balcony sliding door

With our detailed snag report in hand, his maintenance team resolved all issues in under five days. Mr. Rizwan later shared:

“Your inspection gave me a clean report that made leasing and property management hassle-free.”

Protect Your Polo Residence Investment

Luxury apartments require **luxury-level quality assurance**. Don't leave your handover to chance—ensure every detail is covered by booking a professional snagging inspection. Whether you're moving in, leasing, or preparing to sell, we help you **spot every defect before it becomes a cost**.
