Why Snagging Is Essential in Sur La Mer – Seaside Living with Luxury Standards

Sur La Mer, part of Meraas' prestigious La Mer development, offers Mediterranean-style townhouses with beach access, private marina views, and refined coastal living. These 3- to 5-bedroom villas represent some of Dubai's most exclusive addresses—but luxury homes demand precise quality control.

Even in high-end projects, hidden defects in construction, finishes, and MEP systems can undermine your investment. That's why our **Sur La Mer snagging inspections** are trusted by discerning homeowners and international investors who expect nothing less than perfection.

☑ Why Choose Us for Sur La Mer Snagging?

- ✔ **44,000+ professional inspections across Dubai**
- ✔ **Experts in luxury townhouses and coastal property snagging**
- ✔ **Detailed room-by-room reporting within 12 hours**
- ✔ **Advanced reporting via Spectora & Onsite software**
- ✔ **Specialists in stonework, joinery, façades, and smart systems**
- ✔ **End-to-end support with Meraas DLP teams and contractors**

We work with **VIP clients, property brokers, architects, and landlords** to ensure that every detail—from roof membrane to smart controls—is inspected to perfection.

🔍 What We Inspect in Sur La Mer Villas

These townhouses are built to a luxury standard—but our inspections go deeper than surface checks. Our snagging process ensures both **visible finishes** and **technical systems** meet the quality your investment deserves.

📦 Structural & External:

- Roof membrane condition and **terrace drainage grading**
- Façade cracks, **salt damage**, and water stains
- Garage flooring, **gate automation**, and outdoor lighting
- Balcony railing safety, slope testing, and waterproof seal integrity

🏠 Interior & Finishing:

- Marble, stone, and tile floor quality (chipping, lippage, unevenness)
- Wardrobe/cabinet alignment and **soft-close mechanism tests**
- Edge paintwork, wall/ceiling junctions, and plaster finishing

- Staircase handrail install, material quality, and finish consistency

🛁 Bathrooms & Kitchen:

- Sanitaryware pressure test, sealant application, and alignment
- Kitchen cabinet joinery, **appliance fitting**, and backsplash sealing
- Drainage slope verification in showers, wet rooms, and utility zones
- **Ventilation fan** airflow and mold-prone area inspection

⚙️ MEP (Mechanical, Electrical, Plumbing):

- AC ducting, **cooling load checks**, and airflow balance
- Electrical board and RCD breaker testing, socket polarity
- Hot/cold water pressure balance, heater efficiency, pipe insulation
- **Smart system diagnostics** (climate, lighting, intercom, security)

🏡 Villas We Inspect in Sur La Mer

We cover **all phases and villa types** within Sur La Mer, including:

- 3-bedroom luxury townhouses
- 4-bedroom **semi-detached units**
- 5-bedroom **corner villas with rooftop terraces**
- Investor-owned, tenanted, or vacant properties
- **New handovers, post-renovation, and resale units**

📋 Real Client Story: 4BR End Unit Villa in Sur La Mer

Mr. Salman, a UK-based buyer, scheduled our snagging inspection for his 4-bedroom corner villa prior to handover. Although the property appeared immaculate, our inspection team identified:

- Minor **balcony seepage** due to incorrect slope
- **Misaligned custom wardrobe doors** in the master suite
- **Smart thermostat** not calibrated correctly with the AC system

Armed with our detailed snag list and photo-annotated report, he submitted all defects to Meraas for rectification prior to key collection. He later said:
"This inspection gave me confidence that my property truly matches the price I paid."

🔐 Get Peace of Mind Before You Move In

Sur La Mer is a showcase of luxury—but even the best craftsmanship needs independent quality control. Our snagging reports help you:

- **Avoid costly post-handover repairs**
- Negotiate timely fixes with developers or contractors
- Ensure your home is 100% ready before leasing or moving in
